It's quite rare to see a reality TV romance turn into a real-life relationship or even a marriage. That's probably why it was a shock when Mario Ho and Xi Mengyao, who appeared in the Chinese reality dating show Mr Left Mr Right, got engaged in real life on May 13.

一段电视真人秀中的恋情能够成为现实，甚至步入婚姻的殿堂，这种情况相当少见。这或许便是何猷君5月13日求婚奚梦瑶的新闻引发轰动的原因，此前，两人参加了国内的一档真人恋爱节目《爱的时差》。

However, it's not just their romance that has set the internet abuzz, but their fame – both are already stars in their own fields.

除了恋情本身，两人在各自领域的名气也是导致网络热议的一大原因。

Growing up in a billionaire family, Mario Ho is not just someone born with a silver spoon in his mouth. Graduating from the famous Massachusetts Institute of Technology in the US, the 24-year-old became the talk of town last year when he amazed audiences by solving puzzle-based games on the TV show Super Brain.

成长于亿万富翁家庭的何猷君不仅仅是个含着金汤匙出生的富二代。今年24岁的他毕业于著名的麻省理工学院，在去年的电视节目《最强大脑》中，他完成了“数字华容道”的挑战，令全场观众叹为观止，并成为了街谈巷议的话题。

Ho's **fiancee** Xi Mengyao is one of China's top four supermodels, together with Liu Wen, He Sui and Qin Shupe, according to iFeng.com. The 30-year-old rose to fame by walking the runways for major fashion brands.

据凤凰网报道，何猷君的未婚妻奚梦瑶与刘雯、何穗以及秦舒培并称为中国顶尖四大超模。现年30岁的她为多家时尚大牌走秀，名声大振。

People often asked who these two should get together with romantically. It turned out that the great get together.

人们常常讨论他们俩应该和谁谈一场恋爱，结果这两位明星最终走到了一起。
